

### Product Overview

The GUL-I/O (Indoor/Outdoor) Safety Spectacle is a high-performance protective eyewear designed for industrial environments where lighting conditions vary. Featuring dual polycarbonate lenses with a durable brow guard frame, it provides excellent protection against impacts, dust, and harmful ultraviolet radiation. The light mirror lens improves visibility when moving between indoor and outdoor environments, while anti-scratch coating and adjustable temples ensure long-lasting clarity, comfort, and secure fit during extended use.

### Certifications & Norms

**EN 166**  
**ANSI Z87.1**

### Features

Side Shield

Clear Vision

Eye Protection

Comfortable Wear

### Applications

- Second Work / Craftsman
- Agriculture / Green Areas
- Construction
- Mechanical Processing
- Facility Maintenance
- Oil & Gas
