

### Product Overview

The GUL-SMOKE Safety Spectacle is a high-performance protective eyewear designed for industrial environments. It features dual polycarbonate lenses with a durable brow guard frame to provide excellent protection against impacts, dust, and harmful ultraviolet radiation. The smoke tinted lens helps reduce glare in bright environments while maintaining clear visibility. Anti-scratch and anti-fog coatings ensure long-lasting clarity, while adjustable temples with soft nylon tips provide a secure and comfortable fit during extended use.
